TO THE AFFLICTED!  
HAMPTON'S VEGETABLE TINCTURE FOR THE CURE OF CHRONIC DISEASES.—The most safe and certain remedy ever known to the world for various chronic diseases, after they have reached a state, and assumed a character, hitherto considered desperate and incurable.

Chronic Rheumatism, Scrofula, Kings Evil, attended with swellings and ulcers, sore eyes, and loss of sight, to a frightful extent, have been cured. Females pining away by reason of deranged secretions, broken calculations, and obstructed menses, (monthly courses) even when attended by spasms or fits, have been readily relieved.

Dyspepsia yields without a struggle to its mild yet powerful action upon the stomach. In Catarrh, or Cough, Rheumatism, and Fistula, it never fails to cure, as we have fully proved. All diseases having their origin in an impure state of the blood and fluids, will be speedily and effectually removed by this invaluable medicine.

This tincture tends directly to excite a healthy action in the stomach, liver, lungs, and kidneys, to purify the blood and other fluids, by expelling every particle of morbid matter from the system, and therefore never fails to prove a valuable remedy for the diseases which calomel has been invariably used. Old sores and ulcers, or any chronic affection; and for the calomel disease, it is an infallible remedy.

This remedy is perfectly vegetable, mild, agreeable, and safe for persons of any age, either sex, or any condition, acknowledged by those who have tried it, to be the best known family medicine.

The justly celebrated tincture creates a craving appetite, and the patient is left at liberty to indulge it. The use of this medicine will change the complexion from a pallid to a fine blooming one. After using this tincture for six weeks, a person of any age may eat anything that a child of ten years of age, in full health, could eat, without the least inconvenience.

Dr. Hampton is in possession of certificates from the Hon. Henry Clay, Col. Richard M. Johnson, Hon. John B. Dawson, of La., and many others, who have been benefited by the use of this tincture.

For certificates, &c., see pamphlet.  
REMEMBER! Hampton's Vegetable Tincture can be had only at the Segar Store of

H. G. RITTER,  
Pennsylvania avenue, between 11th and 12th streets, and at  
A. G. GARDNER'S  
Seed Store, F street, between 9th and 10th streets, opposite the Catholic church.

Each bottle has the proprietor's signature on the label.

## THE TRUTH SOMETIMES NOT FOUND OUT UNTIL TOO LATE.

SUCH is often the case in regard to persons taking medicine. They are induced by plausible reasoning, false representation and doctrines, to employ medicines that, so far from being adapted to their disease or sickness, absolutely increase the symptoms, destroy the constitution, rack the whole system, and bring on a gradual decline, terminating in death; previous to the fatal termination, however, (but unfortunately too late,) the truth is found out, that the pills, mixtures, &c. they have been taking were composed of the most powerful and dangerous ingredients, prepared too by persons knowing nothing of disease or the nature of the medicines they recommended, depending altogether upon the "general doctrine of such impostors," that their medicines will "kill or cure."

Be advised, then, if you find it necessary to take some medicine for purifying the blood and cleansing the bowels, to take nothing but Dr. Leidy's justly and deservedly celebrated SARSAPARILLA BLOOD PILLS, the only pills containing Sarsaparilla in the their composition—the safest and best as well as the most effectual that can be taken.

Old and young, at all times, without regard to weather, may take them without fear of taking cold, and without restraint from occupation or usual course of living. Upwards of 1,000 certificates have been published, various times, of their efficacy. More than 100,000 boxes have been sold in Philadelphia in twelve months. These facts go to prove their value, or so many never would be sold in so short a time, in a place where they are manufactured; this, however, arises in part from the fact that the manufacturer of them (Dr. Leidy) is well known at home as a regular physician and apothecary, knowing the true nature of diseases and of the medicines he recommends, attested by the most celebrated physicians, among whom are Dr. Nathaniel Chapman, Dr. Wm. Gibson, Dr. W. E. Horner, Dr. Samuel Jackson, Dr. Robert Hare, Dr. P. S. Physic, Dr. T. C. James, Dr. W. P. Dewees, Dr. J. Redman Cox, Rev. W. H. Delancy, Robert Adrian, L.L.D., &c. &c.

Orders for Dr. Leidy's BLOOD PILLS are daily received from the North, South, East, and West, and the most flattering accounts, from every direction, of their unparalleled success. A single box (25 cents) may save as many dollars, if taken in time, instead of the dangerous medicines now forced on the public, and by taking which persons so often find it necessary at last to take Dr. Leidy's Blood Pills, to counteract their injurious consequences.

They are prepared only, and sold Wholesale and Retail, at Dr. Leidy's Health Emporium, No. 191, North Second street, below Vine street, Philadelphia.

## FOREIGN INTELLIGENCE.

## ARRIVAL OF STEAMSHIP BRITANNIA.

FIFTEEN DAYS LATER FROM EUROPE.

From the New York Sun, Extra.

The splendid Royal Mail steamship Britannia, Captain Hewett, arrived at her moorings, East Boston, at 6½ o'clock, A. M., Saturday. She was telegraphed at 5 o'clock, and reached her berth at the Cunard wharf, East Boston, at 6½ o'clock, thus making the entire passage in 14 days.

A succession of good harvests and the revival of trade have produced a corresponding effect on the revenue of the country, so that, without any merit of their own, ministers have it in their power to announce a surplus, after paying off last year's scores of more than £1,400,000.

Her Majesty's accouchement may be expected about the beginning of July.

The will of Sir Francis Burdett has just been proved. The property is sworn under £161,000. Lady George Murray expired on Saturday, the 27th April, at her residence, in Green street, Park Lane, London.

The proposed visit of Louis Philippe to England was creating much attention in diplomatic circles.

A conversation has taken place in the House of Commons between Dr. Bowring, Sir Robert Peel, and Mr. Labouchere, relative to the commercial negotiations that have been for the last eighteen months pending between the United States and Prussia.

An Anti-Corn Law meeting was held at Greenwich on the 24th ult., the chief speakers at which were Col. Thompson and Mr. Cobden, the latter of whom diversified his addresses by an attack on the West India Sugar interest, which he designated the "sugar hoghead oligarchy," amid the laughter of the meeting.

The library of the poet Southey is to be brought to the hammer in the course of this month. The sale will occupy four days. There are about four thousand lots in the sale.

Mr. O'Connell has subscribed £100 to the Repeal Hall in Cork.

At the same time that the King of Naples received the congratulations of the Court and the corps diplomatique on the birth of a daughter, he was also congratulated on his escape from assassination.

It is expected that the Emperor of Russia will arrive in England, on a visit to her Majesty about the second week of May.

Incendiarism still continues in a great degree in Essex. £100 reward has been offered in several instances for the discovery of the offenders.

On Maunday Thursday, the Emperor of Austria washed the feet of twelve aged men, the eldest 110, the youngest 83 years of age; the Empress performing the same service for twelve aged women, the eldest 106, the youngest 84.

The star of General Tom Thumb is still in the ascendant. He continues to be "observed of all observers." Every day adds to his popularity. His third visit to the Queen, at Buckingham Palace, on the 19th inst, when the King and Queen of the Belgians were present, shows how popular he is with royalty; albeit, he is charged with having said to the fair Victoria, "We have no Queen in America!" a phrase very unmusical to the ears of crowned heads.

The condition of the poor and the manufacturing classes, always a topic of agitation and discussion, seems now to be forcing itself on the consideration of every man who can wield a pen, make a speech, or command a vote.

Emigration from London and Liverpool is increasing. Of the numerous females who are now proceeding daily from Liverpool to America, the greater part are natives of Ireland. There are also a considerable number from the manufacturing districts, particularly from the neighborhood of Sheffield. According to present appearances, it seems likely that there will be as great an emigration from Liverpool this year, as ever was known.

The number of persons emigrating from Germany for the United States is very great this year. The King of Hanover is expected to arrive at St. James's Palace the third week in the ensuing month, being the King's second visit to this country since his accession.

A medal has been struck by command of Louis Philippe, to celebrate the completion of the first detached fort of the fortifications of Paris.

IRELAND.  
The Irish repeal agitation and the government endeavour to effect its suppression, are again occupying a large share of the public attention.

The Easter term of the Court of Queen's Bench in Dublin, commenced on the 15th April, and to that day the Crown served the traversers with the usual notices that the Crown would be moved for judgment on the following Friday. The counsel for the traversers entered a motion for new trial; and on the 16th O'Connell supported the motion by filing an affidavit, in which he declares he is not guilty of the conspiracy laid to his charge. The Attorney General, on this course being pursued, determined that the charges contained in the affidavits should be met in the fullest possible manner; and, for this reason, required affidavits from every person connected with the preparation of the jury list. On Thursday morning, Mr. Whiteside opened his motion for a new trial. His objections were substantially the same with, and urged in the same order as those set forth in the notice served on the Crown officers. On
